Founded in 1984, Dansk Marsvineklub is the oldest danish cavy club. It has about 160 members, both breeders and people with just a few pet guinea pigs. The foremost aim of the club is to spread the knowledge of guinea pigs and to further the contact between guinea pig owners and breeders. To do this, we host a number of shows each year, and participate in markets to show and tell about guinea pigs. We also write a lot of educational material, which can be downloaded or ordered for free at our website.

At our shows, you can show either purebreeds or pets, and in fact, the pets are a very large part of our shows and usually of very good quality.

As for the purebreeds, we are very proud that one of our breeders recently has developed a new colour, now known as the Danish Blue.

You can find us at: www.marsvineklub.dk

We hope to see you again in Herning in 2018 for the big show!

Tak til alle vores sponsorer!

Thank you to all of our sponsors!
